

Product Specifications

HypaBand Safety Pins (Pack of 12)

- HSE compliant first aid safety pins
- Ideal for securing bandages and dressings
- Durable stainless steel construction
- Also suitable for crafts, hobbies and other everyday uses
- Assorted sizes - 4 x small 2.5cm, 4 x medium 3cm and 4 x large 3.5cm

The **HypaBand Safety Pins** are a requirement for all HSE and British Standard first aid kits and are designed to secure bandages and dressings. The safety pins are delivered in an assorted pack of 4 x small 2.5cm, 4 x medium 3cm and 4 x large 3.5cm pins. The high quality stainless steel construction means our pins are flexible and long lasting. In addition to their first aid purpose, these pins are also suitable for hobbies, arts and crafts and other everyday uses.

Designed to **secure**
bandages and
dressings
